

Cotemar makes a donation to benefit flood victims in Tabasco

December 3, 2020

Ciudad del Carmen, Campeche.- Given the critical situation that families of the Tamulté de las Sabanas community in Tabasco are experiencing, **Cotemar** organized an internal campaign to collect donations in kind to protect the homes that have been affected by recent floods.

The donation was delivered to Salvador Lozano Moreno, president of the Club Rotario Carmen Centro, the organization in charge of delivering the donation to the most affected communities in Tamulté de las Sabanas. The donation was distributed among the families that were relocated to temporary shelters and consisted of clothing, shoes, food, and cleaning and personal hygiene items.

“At **Cotemar** we are committed to contributing to the efforts made to benefit the population affected by the heavy rainfalls in Tabasco. Therefore, in line with our values, we collaborate with various institutions to support relief and mitigation efforts among the affected families,” said an internal source from Cotemar.

Cotemar is a company with social empathy that is permanently committed to the wellbeing of its people and to the development of the communities where it operates by actively participating in community affairs.
